

# CITIZENS POLICE ACADEMY

## INTRODUCTION

The purpose of the Toledo Citizen Police Academy is to enhance relations between the police and the community. The Academy Staff and officers of the Toledo Police Department believe the success of crime prevention and detection lies primarily with a strong partnership between the police and the community they serve. The better we get to know each other, the more we can accomplish together.

The Toledo Citizen Police Academy is designed to give members of the community an overview of what police work is really like. The Citizen Academy is a miniature version of the Toledo Police Academy. Participants will receive training in subjects that vary from criminal law to the use of deadly force. Each member of the class will be invited to Ride-A-Long with an officer during a tour of duty. At the end of the academy, there will be a graduation ceremony with diplomas to be awarded by the Chief of Police.

The instructors will be members of the Toledo Police Department. It is our hope that by the time the program ends, you have not only learned something valuable about how the Toledo Police Department operates, but have gained a few friends as well.

The Citizen Police Academy is a eleven-week course meeting one night a week for three hours. Classes will be held at the Toledo Police Academy, in the Fire Science and Law Enforcement Building, at Owens Community College, 30439 Tracy Road, or the Toledo Police Pistol Range, located at the rear of the Scott Park District Station, 2301 Nebraska Avenue. The class will also take tours of the Safety Building, 525 North Erie Street, and the Lucas County- 911 Building, 2144 Monroe.
