Toledo Police Launch Recruiting Campaign; Aim for August 2021 Class

Toledo, OH (September 21, 2020): Toledo Police have launched a recruiting campaign to fill a 31 person police class slated for August of 2021. This is a new class, in addition to the academy set to begin in October, 2020. All interested candidates should visit TPDHire.com and fill out an interest card as soon as possible.

The Toledo Police Department is striving to hire a qualified group of applicants who represent the diverse culture and hardworking nature of the City of Toledo. If you are a person with a desire to serve the community, motivated to keep Toledo citizens safe, and dedicated to upholding the values of the Toledo Police Department, you are encouraged to apply.

The National Testing Network (NTN) is again testing all potential candidates with a testing period that opens October 1, 2020 and is scheduled to close on December 31, 2020. The testing is in-person, but can be done online with proper equipment. After passing the NTN test, applicants will be required to pass a stringent background investigation, a psychological examination, and a physical fitness test.

Sgt. Kurjan, Officer McLendon, and Officer Bates compose the Temporary Recruiting Team. The team will be making appearances throughout the city and are available to answer any questions regarding the position of Toledo Police Officer. Any news outlet interested in inspiring local candidates to be the change they want to see in policing should contact Sgt. Kurjan. Local organizations that have space to support social distancing and are interested in hosting an in-person NTN test for members in your community, contact Sgt. Kurjan.

Toledo Police offer paid academy training, health insurance, paid vacation, are a proud ESGR supporter, and more. For more information, please contact the Toledo Police Department Recruitment Unit at tpdrecruitment@toledo.oh.gov.
