DEPARTMENT OF POLICE OPERATIONS SAFE-T-CITY STUDENT ENROLLMENT APPLICATION

To: PARENTS, GUARDIANS & INTERESTED CITIZENS

Every summer the Toledo Police Department sponsors the **Safe-T-City** Program at no cost. This program is held at the Scott Park Shelter House, 2201 Nebraska Avenue, next to the Scott Park Police District Station.

Safe-T-City is a child pedestrian and traffic safety program combined with a life safety course. **This program is conducted for children entering kindergarten in the upcoming school year.** Please note that 1st graders are not eligible for this program. **Safe-T-City** includes classroom instruction and outdoor practice in a miniature city complete with streets, sidewalks, small buildings, traffic lights and stop signs.

The children are assigned to classes (no more than 14 children per class) with a certified instructor. During the 20-hour course, the children learn through participation in a setting of simulated real-life situations. Guest speakers from different community resources help the children learn through songs, poems, art projects, stories and movies. Police officers teach pedestrian safety on the streets of **Safe-T-City**. The different lessons provide an enjoyable learning experience.

We also have a program for developmentally delayed children and those children with special needs. This program is for children in kindergarten through third grade. If interested in this program, please call **(419) 936-2984** and request an application for the TORCH program. Applications can also be obtained online at www.ToledoPolice.com.

Students who are entering the **6th grade or higher** and would like the experience of working as a teacher's assistant should call **(419) 936-2984** for more information. Applications for teacher's assistants can also be obtained on line at www.ToledoPolice.com.
