Mission Statement

The mission of the Toledo Police Department is to enhance the quality of life in the city of Toledo by working in partnerships with the community to preserve life, enforce the law, provide quality services, reduce the fear of crime, and promote joint problem-solving for safe, secure neighborhoods.

Message from Chief Kral

I am honored and excited to present the 2019 Toledo Police Department Annual Report. You will see the same statistics, graphs, and crime information as in annual reports of years past, but this report is different. We have embraced technology to help our officers' work smarter, with more efficiency. New units were created in 2019, again, to help convert technological data into actionable intelligence. Just as important, the men and women employed by TPD, both sworn officers and civilian employees, are reaching out to the community. We will showcase our community outreach efforts and demonstrate how we, as guardians of this city, are committed to its success.

This year, 2020, is going to be a busy year at TPD. We will tirelessly continue to labor to shrink crime levels, while at the same time work to reduce the fear of crime. We will continue to advance our department technologically, and we will come-up with out-of-the-box strategies to improve the relationships between Toledoans and their police department.

I have been blessed to lead this department since 2015. Each and every day I am amazed at the caliber of the men and women employed at this agency. All too often, we see the negative side of law enforcement. Unfortunately, the general public never sees the thousands of positive and caring acts police officers in this community, and across the nation, do every day.

This city is blessed with the finest peace officers I have ever met. As 2nd Vice President of the Ohio Association of Chiefs of Police, I have the honor of traveling to many jurisdictions in Ohio. I will put your officers up against any others in Ohio.

I sincerely hope you enjoy learning more about your police department. I encourage anyone who wishes to glean more to visit our Web Page. It has been recently re-designed and offers information from all aspects of the department.

REDISTRICTING

To ensure that the Toledo Police Department is providing the best service possible to the citizens of the City of Toledo, a redistricting study was completed by the department to determine if the current map design is allowing the Operations Division to divide its workload equally and is operating as efficiently as possible.

The study revealed that the current two dispatch channel system remains adequate for the amount of calls for service and the district line that separates the Central and Scott Park districts continues to equalize the radio traffic and workload between the two districts. While the study found that the current 8 sector design has done a good job equalizing the workload between sectors and beats, it found that moving the lines slightly within the Scott Park district would significantly improve the workload balance between 6, 7, and 8 Sector.

The district maps went into effect on October 10, 2019, by the Lucas County Emergency Services.

Goals and Objectives

Goal #1:

Implement a Social Network Analysis (SNA) tool within the Criminal Intelligence Section. The SNA tool will provide a better understanding of networks in relation to the City of Toledo's violent crime.

Goal has been met.

Goal #2:

Metro Drug Task Force increase Heroin/Fentanyl seizures by 5% from the 2018 totals.

Goal has been met and exceeded.

Goal #3:

Provide gun crime recovery training for Operations personnel. Training will include an overview of NIBIN, firearms identification, eTrace, and follow up to gun crime evidence.

Goal has been met.

Goal #4:

Increase the number of Gang Task Force search warrants by 5% from the 2018 totals.

Goal has been met and exceeded.

Goal #5:

Decrease fatal accidents by 10%.

Goal has been met.

Goal #6:

Conduct redistricting study to determine if patrol boundaries need to be reorganized.

Goal was completed in October.

Goals and Objectives

Goal #7:

Implement field training program for sergeants.

Goal has been met.

Goal #8:

Perform a full-scale exercise involving an active threat.

Goal was completed in November of 2019.

Goal #9:

Formalize the Toledo Police Department Internship Program with the University of Toledo, Bowling Green State University, Tiffin University, and Lourdes University. Offer structured training and experiences that expose interns to the many aspects of a career in law enforcement with the goal of recruiting many of these students. Make the program information, requirements and application process available electronically on the department website.

Goal has been met.

Goal #10:

Expand the current Peer Support Program by creating a multi-component crisis intervention program to better assist law enforcement personnel in dealing with critical incident stress. The program will include the development and implementation of a Critical Incident Stress Management (CISM) program and establish the Ohio CISM Network Team.

Goal was partially completed but the department will continue to move forward to accomplish it by the end of 2020.

Goal #11:

Implement new and innovative recruitment strategies to increase the number of applicants by 60%.

The implementation of new and innovated recruitment strategies did result in significant gains in both the number of interest cards and applicants. The goal of a 60% increase of applicants has not yet been met. The Background and Recruitment Unit will be working diligently in 2020 to achieve this goal.

Gun Crimes and Intelligence Task Force

The Gun Crimes & Intelligence Task Force was formed in June of 2019 and is under the command of Captain Ed Bombrys of the Intelligence & Special Investigations Bureau. Sergeant Jim Haney is the commander of the Gun Crimes & Intelligence Task Force and is responsible for the management, coordination, and supervision of "INTEL" (Immediate NIBIN & Trace Enforcement Leads) developed from the task force. The task force has five detectives who are responsible for follow-up of all ShotSpotter and NIBIN related leads. They also work closely with the ATF, with the goal of increasing federal prosecutions for violent offenders.

Capt. E. Bombrys

Sgt. J. Haney

Det. R. Santibanez

Gunshot Detection Technology

To Combat Gun Violence

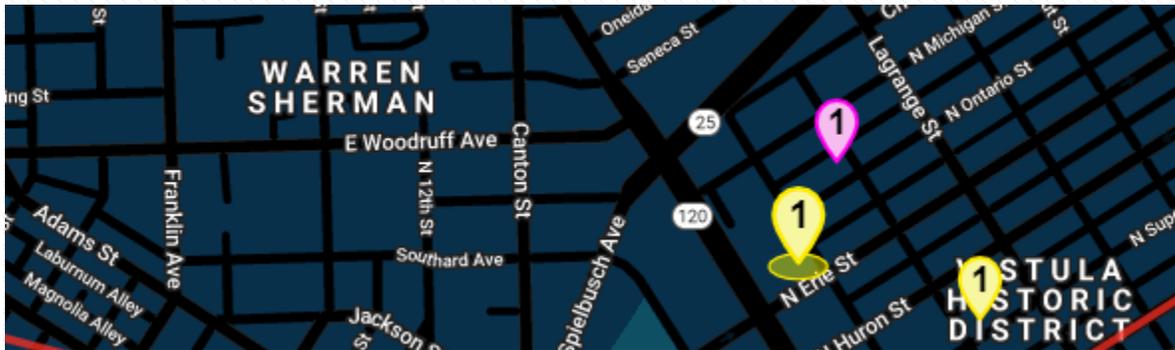

In September of 2018, the U.S. Department of Justice awarded the Toledo Police Department a \$492,000 grant, which was used to purchase ShotSpotter. On June 26, 2019, Toledo Police implemented the use of ShotSpotter in a four square mile area in the city. The technology helps combat the ever increasing problem of gun violence. ShotSpotter helps law enforcement identify, locate, and deter gun violence. It provides real-time alerts to officers of precisely when and where gun incidents occur so that officers can respond faster, recover evidence, interview witnesses, and ensure timely medical attention to victims. By the end of 2019, the program resulted in 36 firearms being taken off the streets due to illegal gunfire.

Here are great examples of how ShotSpotter has aided the Toledo Police Department:

In July of 2019, Gang Task Force detectives responded to a ShotSpotter alert in the 3200 block of Parkwood. As detectives arrived at the location, they heard three more shots being fired. Detectives detained three individuals near a parked vehicle. A revolver was recovered from underneath the vehicle where a suspect was observed. He was charged with Having Weapons While Under Disability and Illegal Discharge of a Firearm.

In August of 2019, Unit 305 (Sgt. Gabel) responded to a ShotSpotter alert in the 400 block of W. Central. Upon approach to the location, a subject was observed walking from a nearby front porch. He was given commands to stop and walk towards the sergeant. Instead of complying, the subject ran towards the back of the house and into the alley. Unit 305 called out the foot pursuit over the air. As Unit 310 (Knapp and Kieffer) was responding to assist, they observed the suspect and Unit 305 at Central and Cambridge. The suspect was taken into custody and a revolver was confiscated from his front right pants pocket. He was charged with Carrying Concealed Weapons and Obstructing Official Business.

In September of 2019, Gang Task Force detectives responded to a report of shots fired in the 100 block of Rockingham. The exact location is vacant and in the rear of the location a spent casing was recovered. Gang Task Force detectives with the assistance of Operations units cleared the vacant house and found three juveniles in the basement. A loaded Taurus 9mm handgun was found near the juveniles. The juveniles were also in possession of crack cocaine and heroin. They were charged with Improperly Discharging Firearm at or Into Habitation, Possession of Controlled Substance and Trafficking in Drugs.

The task force was formed to assist in the prevention of gun violence through timely identification of violent offenders. The task force utilizes the National Integrated Ballistic Information Network (NIBIN). NIBIN compares the images of fired casings to other fired casings or test fired casings from a recovered firearm. By comparing images from fired casings, it is possible to link one or more shooting incidents and/or link shootings to firearms. Investigators use these links to identify armed violent offenders for investigation and prosecution.

So how does NIBIN work? A firearms examiner uses ballistic imaging to convert the spent rounds into two or three dimensional digital images that are uploaded into NIBIN. NIBIN can be searched for possible matches, which are other rounds that have similar tool marks and may have been fired from the same gun. After a possible match is identified, the crime lab secures the actual spent round(s) and compares them under a microscope to confirm the match. The lab then sends all information on the hit to investigators. The goal is to enter the evidence into the network as quickly as possible in order to identify potential NIBIN leads and subsequently provide criminal intelligence to investigators to aid in the apprehension and prosecution of offenders.

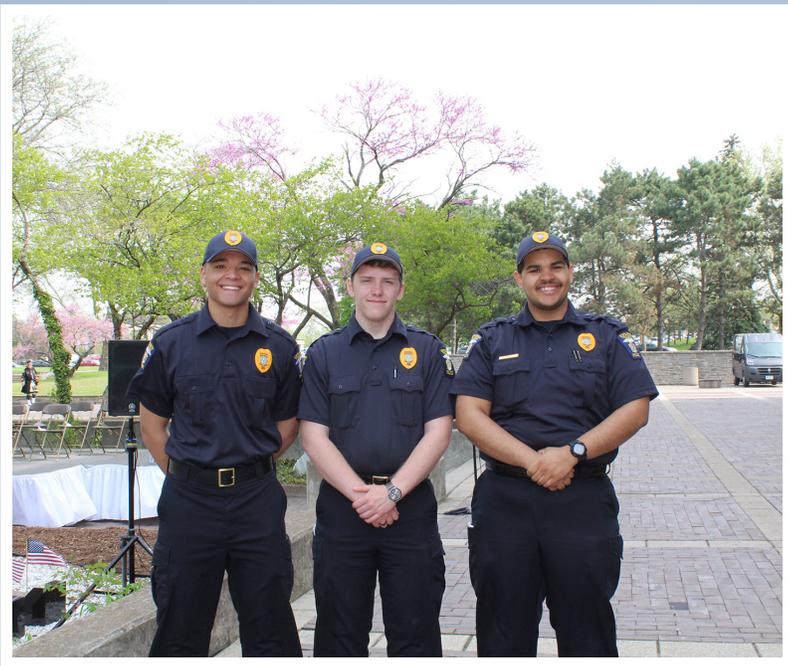

Late June of 2019-December 31, 2019

ShotSpotter Arrests	54
Guns Recovered	36
NIBIN Leads	53
Exclusively, ShotSpotter Arrests (No calls were made to 911)	29
Exclusively, ShotSpotter Guns Recovered (No calls made to 911)	26

Organizations Aiding the Toledo Police Department

Toledo Police Explorers

The Toledo Police Explorers is a program for students ages 14-21 who are interested in pursuing a career in law enforcement. The program provides explorers an opportunity to become closely involved with police work through specialized training, special details, and community service events. The program also gives explorers an opportunity to obtain hands on experience and awareness of the criminal justice system, develop leadership skills, and serve the community.

Darnell Phillips, Morgan Porter, Donnell Garrett

Explorers participate in many community events including The Toledo Police Memorial Service, Toledo Police Graduation Ceremonies, Youth Fingerprinting, Safety City, and traffic control/security details.

Braxtan Lach, Benjamin Moon, Josalyn Martinez

The Toledo Police Explorers represent Post #2028 in The State of Ohio competition held annually and The National Law Enforcement Explorer Competition held every other year. At the competitions, explorers compete in 12 different police related scenarios such as crime scene search, domestic violence, and burglary in progress calls. Explorers are judged by local, state, and federal law enforcement personnel based on several different topics such as interviewing skills, verbal skills, teamwork, handcuffing/searching techniques, and officer safety. Explorers also compete in individual events such as an air pistol and pistol competition, an emergency driving operation course, and a police physical performance test.

On April 22, 2019 Toledo Police Explorers competed in the Ohio Law Enforcement Explorer Competition, placing second overall.

Nicholas Buchan, Donnell Garrett, Elizabeth Foster, Josalyn Martinez, Morgan Porter, Darnell Phillips

Today, a Career in Law Enforcement

Below are department personnel who were former Toledo Police Explorers themselves.

Lieutenant Kellie Lenhardt

Toledo Police Explorer: 2001-2005

Appointed to the Toledo Police Department: November 15, 2011

Current Assignment: Public Information Unit

Sergeant Kelly Tsou

Toledo Police Explorer: 2006-2011

Appointed to the Toledo Police Department: September 4, 2012

Current Assignment: Operations Division Scott Park

Officer Kristen Prah

Toledo Police Explorer: 2011-2013

Appointed to the Toledo Police Department: February 9, 2015

Current Assignment: School Resource Officer and Police Explorer Advisor

The Toledo Police Foundation was established as an independent, nonprofit 501(C)(3) organization in October of 2018. It is an alliance of business and civic leaders, the Toledo Police Department, and members from the community that are committed to the ideal that an educated, well-trained, and modernly equipped police department leads to a safer community for all.

The mission of the foundation is to assist the Toledo Police Department by providing resources that cannot be readily supported through public sector funds. The foundation funds programs that are intended to enhance public safety and help build stronger relationships between the community and members of the Toledo Police Department. The foundation invests in community projects, special equipment, advanced training, new technology, youth outreach programs, and officer wellness.

On July 8, 2019, the department unveiled “Cops and Cones” at the annual “Grillin and Chillin” event at Ottawa Park. Cops and Cones is a project that was funded by the Toledo Police Foundation and the Toledo Mud Hens. This project is a way for the Toledo Police Department to encourage positive relationships with kids in the community we serve. In the summer months, Cops and Cones, will try to visit a different neighborhood each week, handing out free ice cream to kids.

Social Media

In December of 2017, under the direction of Lieutenant Kevan Toney, the Toledo Police Social Media Team was formed. The team included department personnel at the rank of patrolman or sergeant, who remained in their current assignment and served part-time. The Social Media Team met periodically to work on projects that furthered the department's engagement with the community through social media platforms instead of mainstream media. One big project the Social Media Team brought to us is the department's YouTube VLOG (video log). The VLOGs created by the Social Media Team highlighted certain topics like recruitment and also focused on different areas of the department such as Operations, K-9 Unit and Swat Section. These social media platforms give the community a closer look into our department and also gives them a better understanding of what we do.

In August of 2019, a permanent position, Assistant Public Information Officer, was added to support the Public Information Officer. With the department's growing social media presence this much needed position heavily assists in coordinating media and public relations on behalf of the department. The Public Information Unit keeps the department's Facebook and Twitter pages up-to-date, fully engaging the public. Below are the top nine posts for 2019.

1. Vice Narcotics detectives seized 80 grams of Hereoin/Fetanyl, \$18,000, and two loaded handguns.
2. Officers Loehrke and Gankosky responded to a robbery. Officers spotted the suspect vehicle and attempted to stop it. The vehicle eventually crashed and the suspect fled on foot. After a lengthy foot pursuit the suspect was taken into custody. Upon searching the vehicle a firearm was also recovered.
3. Officer Ellis was alerted that a student at Waite High School was in possession of a gun. Officer Ellis immediately located the student and he was disarmed and removed from the school without incident.
4. 9-11 remembrance
5. Officer Wilcox was commended for recognizing that a young man involved in a hit-skip car accident needed time and specific communication while investigating the accident. The young man has Asperger's Syndrome and Officer Wilcox's communication skills kept him calm.
6. Gang Task Force Detectives Poskarbiewicz and Cairl giving a shout-out to K-9 Officer JJ who recently conducted his 2,900th deployment, before his retirement.
7. Officers Janowiecki and Loehrke taking a moment to stop by a neighborhood lemonade stand.
8. Officer Martin, on the last day of his probationary period responded to a weapons call. Officer Martin located the suspect, however the suspect failed to comply and attempted to walk away. As Officer Martin grabbed the suspect he felt a gun in the suspect's hand. The suspect fired a round, but missed Officer Martin. Officer Martin was able to disarm the suspect and take him to the ground until additional officers arrived.
9. Officers Keeney and Parker responded to an aggravated robbery call. They were able to view surveillance video and directed other responding units to where the suspect was, ultimately apprehending the suspect. During the investigation by detectives two additional suspects were identified and all three suspects were charged for a series of robberies in the downtown area that day.

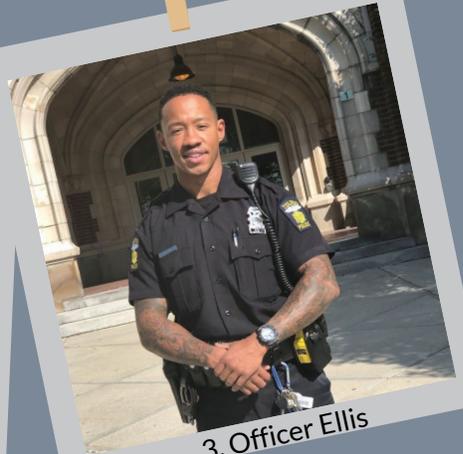

The Top Nine Posts of 2019

1. Vice Narcotics Section

Our Fallen

John Hassett - March 5, 1880

Killed when the brick smoke stack of the Buckeye Brewery crashed down in a tornado.

James Boyle - May 5, 1908

Shot when he interrupted three men burglarizing a box car at Lafayette and Ontario Streets.

Harry Smith - September 25, 1911

Died six weeks after he was injured arresting two suspects for "suspicion."

Albert Schultz - August 7, 1914

Shot and killed while responding to a burglary alarm near Englewood Court and Grand Streets.

Kaiser Bartecki - January 21, 1915

Shot by a homicide suspect he was pursuing from a home at 324 Kosciusko Street.

Adolph Reimer - August 25, 1915

Died from blood poisoning from a bullet in his neck that he received at a domestic call at 357 Woodland Avenue.

Louis Jazwiecki - April 1, 1918

Shot to death after he approached two suspicious males at the corner of Erie and Walnut Streets.

William Bather - May 27, 1919

Shot and killed by a man in the process of stealing a car in the 900 block of Emerald Avenue.

George Zapf - September 23, 1919

Killed in a motorcycle accident at Superior Street and Madison Avenue.

Harry Dowell - June 9, 1921

Shot sniper-style responding to a landlord complaint by a man from the attic of 611 Walnut Street.

Harold Mosbrugger - June 9, 1921

Shot in the attic of 611 Walnut Street attempting to apprehend the sniper who had killed his partner.

William Kress - August 1, 1921

Shot responding to a call of a man with a gun on State Street.

Charles McGuire - December 22, 1921

Shot and killed while searching two burglary suspects at Division and Indiana Streets.

William Reed - December 28, 1921

Shot while working as a vice officer on Canton Street by a man accused of writing a bad check.

Fritz Bacon - August 13, 1922

Struck by a vehicle at Front and Main Streets while directing traffic.

William Martin - September 6, 1922

Laid in wait for three suspects to return to a suspicious vehicle at Fulton and Prescott Streets, and was shot and killed by one of the them upon their return.

William Julert - January 29, 1924

Accidentally shot by his partner who slipped on the ice while disarming a suspect at Elm St. and Manhattan Blvd.

Walter Mullin - May 12, 1925

Accidentally shot by his partner while searching for a B&E suspect at Garnet Street and Clarence Avenue.

George Zientara - April 16, 1928

Shot with machine gun by robbery suspects he pursued to a garage on Upton Street.

Edward Obriest - May 19, 1931

Shot while working as an undercover vice officer in the 300 block of Illinois Street near Division Street.

Edward Keim - August 11, 1932

Shot during a gas station robbery in progress at Indiana Avenue and Heston Street.

Harvey O'Neill - November 8, 1936

Killed in a motorcycle accident at Monroe and Bancroft Streets while pursuing a speeding taxi cab.

Fred Disel - May 6, 1944

Killed in a motorcycle accident near the Safety Building pursuing a hit-skip vehicle.

John McCarthy - January 7, 1947

Killed at the corner of Erie and Jackson Streets by a suspect he was transporting to the Safety Building.

Harold Stevens - July 3, 1948

Killed in a traffic accident at Monroe and 17th Streets during an ambulance run to Mercy Hospital.

Albert Fadell - November 18, 1948

Killed in a motorcycle accident at Canton and Beacon Streets.

Walter Boyle - December 8, 1961

Shot at 551 Arden Place by a suspect fleeing a warrant service.

Donald Brown - June 12, 1962

Shot at 1914 N. 14th Street while approaching a man with a shotgun.

William Miscannon - September 18, 1970

Shot point-blank as he sat in his patrol wagon at Junction Avenue and Dorr Street.

Keith Dressel - February 21, 2007

Shot at Bush and Ontario Streets pursuing a juvenile suspected of drug and curfew violations.

INTERNAL AFFAIRS

Law Enforcement Code of Ethics

The Law Enforcement Code of Ethics is adopted as a general standard of conduct for officers of the Toledo Police Department.

"As a law enforcement officer, my fundamental duty is to serve mankind, to safeguard lives and property, to protect the innocent against deception, the weak against oppression or intimidation, the peaceful against violence and disorder, and to respect the constitutional rights of all men to liberty, equality, and justice.

"I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of duty.

"I will never act officiously, or permit personal feelings, prejudices animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear of favor, malice, or ill will, never employing unnecessary force or violence and never accepting gratuities.

"I recognize the badge of my office as a symbol of public faith and I accept it as a public trust to be held as long as I am true to the ethics of police service. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession...Law Enforcement."

January

2019 In Review

In January of 2019, Chief Kral was featured in the Toledo City Paper in a section titled “11 Toledoans Making a Difference. Big Ideas, Big Impact”. The article focused on Chief Kral’s commitment to transparency in policing and highlighted his crucial decision to release dashcam footage of an officer involved shooting, less than five hours after it happened. Typically dashcam footage is not released as public record for 45-90 days after an incident. On Friday, July 27, 2018 a SWAT officer shot and killed an armed suspect. Immediately after the shooting, an angry crowd gathered in the north end of Toledo. Social media of the incident was fueled by rumors resulting in an even bigger and highly emotional crowd on the verge of rioting. The result of releasing the footage immediately after the incident quickly shut down rumors and helped tremendously in keeping the peace that day. The decision to release the video immediately left a big impact on today’s policing and the meaning of being transparent. Since then, Chief Kral has spoken to police departments across the country about his decision.

September

Officer M. Russell and Officer Gafeny

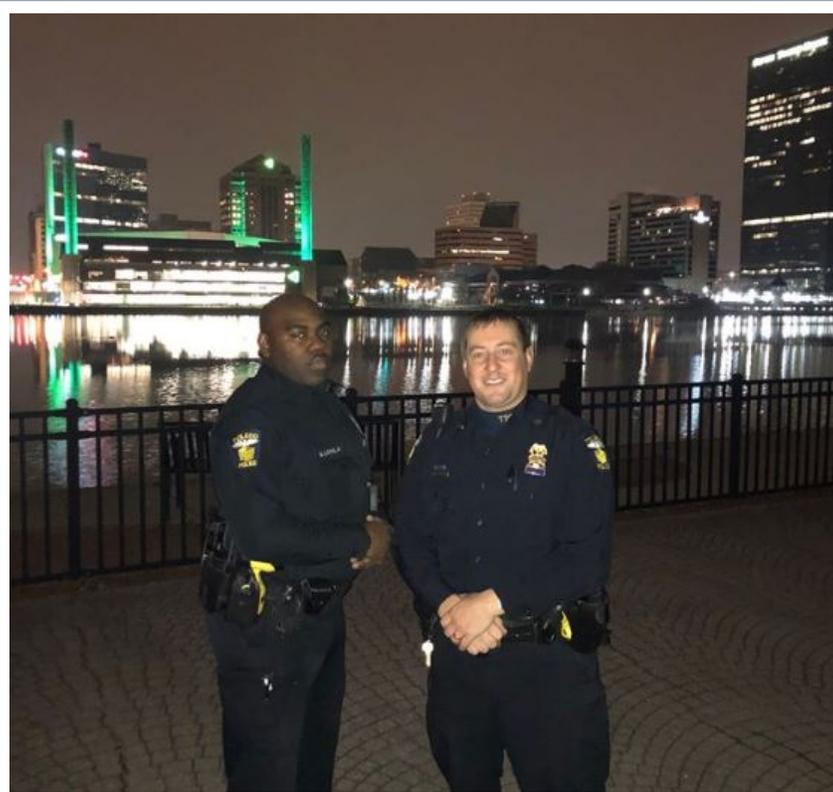

On September 25, Officers Russell and Gafeny noticed a black Jeep leaving the parking lot of the Dollar General at Lagrange and Streicher at a high rate of speed. The officers attempted to catch up to the vehicle, but before the officers could get close, the driver lost control and struck a tree at Streicher and Cottage. The driver was unconscious and had to be extricated from the vehicle. Upon following-up it was discovered that the suspect had taken a victim to the store to withdraw money from her account. The victim was able to alert a store clerk who tried to stall for time. As the suspect grew impatient he took the victim's keys to her vehicle and fled the store. Because he fled in the vehicle at such a high rate of speed, the officers immediately took notice and sprang into action. The suspect was being treated at the hospital and a robbery warrant was issued.

Officer Bryson and Officer Kynard take time to connect with youth in the community.

Lieutenant Toney, along with Toledo Fire and Rescue Department personnel spend the day at Reynolds Elementary, talking to kids about fire and gun safety.

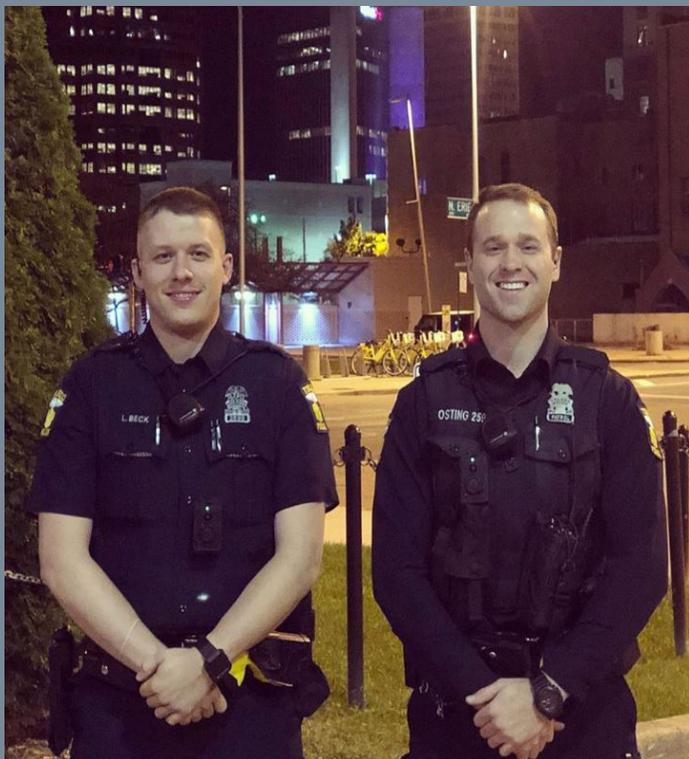

Officer Long and Sergeant Gabel

On October 3, Officer Long and Sergeant Gabel responded to the Amtrak Station on a check safety call. Upon arrival they found an elderly couple in a vehicle stuck on the tracks. Both were from out of town and unfamiliar with the area. The driver stated he was confused on where to go and attempted to drive through a weeded area, but struck a concrete barrier and got stuck on the tracks. With nowhere to go Officer Long and Sergeant Gabel towed the vehicle off the tracks and drove the couple to a hotel. The officers paid for the room for the couple to stay in until their son could come and pick them up.

October

On October 9, Officers Hanus and Jarosz responded to a breaking and entering complaint. Once on scene, two suspects were observed breaking into a train car. Both suspects fled on foot. Officers Hanus and Jarosz caught up to them, eventually taking them into custody. Further investigation of one of the suspect's home revealed a large quantity of stolen merchandise.

Officer Beck and Officer Osting

On October 11 at 3:07 a.m., Officers Beck and Osting were on patrol in the area of Cherry and Spielbusch when they spotted a woman standing outside of a vehicle with the passenger door open near the intersection. As officers went to investigate, the vehicle started driving in reverse and began dragging the female as she clung to the door. The woman was eventually able to get away from the vehicle and run to the curb. Officers Beck and Osting witnessed the vehicle speed toward the woman and attempt to strike her with the vehicle. The officers were able to stop the vehicle before it could hit the woman. The suspect was taken into custody.

After speaking with the victim, she stated that she and the driver of the vehicle had been arguing about money the driver owed her. The driver became upset and threw the money at her. As she exited the vehicle, the driver reversed on purpose and dragged her before she could completely exit the vehicle. The victim was treated at the scene and did not receive any serious injuries. The suspect was arrested and charged with Felonious Assault.

October

Officer Ervin and Officer Fischer

On October 24, Officers Ervin and Fischer were working in the Old South End where a rash of burglaries had been occurring. While patrolling the area, the officers spotted a suspect who was believed to be involved in the burglaries riding a bike. When Officer Ervin attempted to stop the suspect he jumped off of his bike and fled on foot. Officer Ervin gave chase on foot but eventually lost sight of the suspect. The officers were familiar with the suspect and their area. While searching the area they noticed an abandoned house with the door open. Officer Fischer entered the home and began to search for the suspect, eventually finding him hiding in an upstairs bedroom. When Officer Fisher attempted to take the suspect into custody, the suspect threw a punch at her. She was able to restrain the suspect until Officer Ervin arrived and assisted in taking the suspect into custody. With this arrest, detectives were able to solve eight burglaries from the area associated with the suspect.

On October 25, Officer Matt Brown was dispatched to a burglary that happened earlier in the day. After getting to the scene, Officer Brown spoke with the victim who told him someone had entered his apartment and stole several guitars and damaged several others. While inspecting the scene, Officer Brown found some shards of glass outside of the apartment and was able to match them to the area the suspect made entry. Officer Brown carefully dusted the shards for finger prints and was able to find several prints. The prints were sent to the crime lab for analysis where a positive suspect identity was determined. This identification lead to a burglary warrant being issued for the suspect.

12 Kids of Christmas

By Feet on the Street

Toledo area police volunteer and pair up with approximately 200 kids to celebrate Christmas. The children are referred to the program by Lucas County Children Services. Their day starts off at Savage Arena eating breakfast and visiting with Santa. From there they head to Meijer where the kids buy presents for their family.

External Awards

Safety Council of Northwest Ohio

The Safety Council of Northwest Ohio recognized Officers Chio, Babcock, and Krabill at the 52nd Annual Hero Awards Banquet. This event recognizes those who have gone above and beyond normal expectations to help another person and in some instances risking their own lives.

On July 21, 2018, Officer Chio responded to a robbery call at the Dollar General on Heatherdowns. Once on scene he observed the suspect fleeing behind the store. Officer Chio announced himself as a police officer and gave repeated commands to show his hands and go to the ground. The suspect turned to face Officer Chio, reached into his waistband and pulled out what appeared to be a small, black pistol. Officer Chio immediately stopped the threat. It was later determined that the suspect had just murdered a customer who tried to intervene in the robbery before police arrived on the scene.

Officer Chio

Officer Babcock and Officer Krabill

On July 27, 2018, SWAT Officers Babcock and Krabill were patrolling the area of Lagrange and Manhattan in search of a robbery suspect that had recently fled on foot following a vehicle pursuit. The officers located the armed suspect and successfully stopped the threat after he pulled a handgun from his waistband and moved into a shooting stance.

External Awards

20 Under 40

Kristie Reece, Lieutenant Mike Smith, Sergeant Sarah Dean Blackburn, and Officer Stephen Bates

Each year since 1996, twenty young community leaders receive the prestigious 20 Under 40 Award. A Leadership Recognition Program, 20 Under 40 showcases dynamic leaders from Northwest Ohio and Southeast Michigan who are under the age of 40. Four employees of the Toledo Police Department were nominated, with Officer Stephen Bates being a recipient of the award for 2019.

National Law Enforcement Officer Hall of Fame

The National Law Enforcement Officer Hall Of Fame was created in 2017 to honor Law Enforcement Officers. The purpose is to recognize those officers that have gone above and beyond in one way or another in the line of duty. Sergeant Okos received the Distinguished Services Award for 2019.

Sergeant Okos
